

## Declaration Letter

Dear Sir or Madam: of

We are in receipt of your request for replacement defective spare part(s). According to Mindray's policy, replacement will be sent after receipt of the part(s) you return. However, in view of your situation, we decide to give you a special authorization: you can have our early consignment just by signing this letter as a guarantee that you will send back all defective part(s) to our Delhi Warehouse within one month since dispatch date.

If the defective part(s) have not been altogether retrieved, any spare part(s) consigned to you shall then be deemed by us as your intended purchase instead of warranty replacement. Mindray will issue invoice according after one month since dispatch date.

Please fill up the form, sign by your service manager or above, and send back to Mindray inservice@mindray.com or concerned engineer.

Note: If pending returned parts are more than 10 Nos, it's not allowed to send any part in advance.
